2nd Russian-Pacific Conference on Computer Technology and Applications
(RPC 2017)
Vladivostok • Russky Island • Russia
25-29 September 2017
http://rpc2017.dvo.ru

Dear colleagues,

The list of accepted reports is published at the conference website. All the articles which successfully passed the reviewing will be published in one of regular or special issues of the international journal "**Information Technology in Industry**" (indexed in the **Web of Science** (**Emerging Sources Citation Index**)) within a year after the conference is finished.

Participants are required by **July 15, 2017**:

- send the articles corrected according to the comments of reviewers to it@iacp.dvo.ru; subject of the email should be "RPC2017 paper"

- pay the registration fee, bank account details are provided at the conference website

- foreign participants should send a scan of their international passport to it@iacp.dvo.ru

For receiving an invitation to the conference, please make a request to it@iacp.dvo.ru.

Participants will be accommodated at the FEFU Hotel Complex on preferential terms. Single or double room accommodation will be provided. The price of a single room accommodation is 3400 rubles per day. The price of a double room accommodation is 2100 rubles per day.

In order to book an accommodation and for participating in the on-site part of the conference, it is required to submit the following information to the Organizing Committee by **July 15, 2017**:

- Full name of the participant

- Participant's passport information (series, number, by whom and when issued)

- Full name of the accompanying person (if any)

- Accompanying person's passport information (series, number, by whom and when issued)

- Date and time of arrival, flight number or train number

- Date and time of departure, flight number or train number

- Type of hotel room (single or double room)

- If you would like to be accommodated in a double room, indicate the wishes about your neighbor (if any)

- Payment method you would like to use: cash or a bank card.

The information table that is required to be filled is attached to this letter. The filled information table should be sent to it@iacp.dvo.ru, the email's subject should be "RPC2017 info".

The travel document should be sent to: Institute of Automation and Control Processes Far Eastern Branch of the Russian Academy of Sciences (IACP FEB RAS), Russia, 690041, Vladivostok, Radio street, 5.

All the information above along with the recent news is available at the conference website http://rpc2017.dvo.ru. For being updated of the latest information please keep track of our messages.

We will be glad to see you at the conference.
